

MAMARAZZI FOOD COMPANY LIMITED

WHO WE ARE

We are a subsidiary of SkyFox Limited and the Sole Distributors of all SkyFox food products.

WHAT WE DO

Supply of fresh and processed food

We buy fresh food products obtained from organic sources directly from the farm and sell them in both fresh and processed form to the public.

Catering services

We undertake bulk catering services for your parties, conference, funeral, weddings and all social events. Mamarazzi offers lunch solutions as well, ready to serve you as an individual with hot Banku, Catfish, Tilapia in your preferred processed form, with hot pepper and vegetables.

IN STOCK

We have available, large quantities of Catfish and Tilapia in all forms: fresh, smoked, dried,

roasted, ready-to-grill at the most reasonable prices.

Food joints

We operate numerous and fast spreading Catfish and Tilapia Food Joints in Ghana. Visit the Mamarazzi Fish Point near you today and experience the Catfish (Adwene) or Tilapia lunch with a difference. You may also order our catering services at any time for any occasion.

HEALTH ASSURANCE

Mamarazzi customers are assured of chemical-free fish since there are trained personnel to ensure that production facilities and practices meet all environmental standards for hygienic production. Away from the ponds, our professional caterers, dieticians and food scientists ensure that the fish is handled in the most hygienic conditions during processing and value addition, making the safety of consumers their number one priority.

BE A CLIENT

Mamarazzi is ready to serve both corporate and individual clients. Hotels, Restaurants, Bars, retailers and households are all welcome for ready supplies.
